**Mindfulness Meditation with David Chandler**

New London, CT – Sunday, January 22, 2017- The Public Library of New London invites the public to attend a Mindfulness Meditation Workshop on Sunday, January 22, 2:00 – 3:00 PM, with a discussion and guided meditation by David Chandler, founder and director of Eagle's Quest Tai Chi Center who holds a Master's degree in Integrative Health and Healing from the Graduate Institute and is a Master Teacher of Tai Chi.

Mindfulness is the practice of bringing one's attention to the internal and external experiences occurring in the present moment. Evidence supports the use of mindfulness programs to alleviate symptoms of a variety of mental and physical disorders. Mindfulness meditation has been connected to favorable structural changes in the brain, including prevention or delay in the onset of dementias. Mindfulness Meditation also helps us to become aware of what is already true, moment by moment; to be present with whatever is happening, no matter what it is. Mindful meditation is a great way to increase focus, decrease stress, and stimulate your creativity.

This workshop will include a teaching about meditation, a guided meditation (approximately 20 minutes) and time for questions.

Session is free of charge. No registration is required. Participants must be at least 15 years of age. No prior experience necessary.
