Non-Profit Sustainability

New London, CT, Tuesday, September 18, 2018 – Local entrepreneur Kristen Tierney has been coaching nonprofit organizations for over 25 years, and on September 18th at 10am, she'll be at the library to explain the latest buzzword in the non-profit community: sustainability. Learn both sides of the paradigm and how incorporating sustainability could actually be the best thing to happen to the non-profit world! Join us learn how to discuss the true costs and benefits of creating a sustainable program/initiative with a potential or current funder.

The event is free and registration is required. For more information or to register, please contact the Reference Desk at 860-447-1411 x5, or go to the library's website at www.plnl.org.
