Games will be available on a first come, first served basis for patron's to come in and enjoy at their own pace in the Adult Reading Area. The Chess Club will still meet during those times.

To partake in the reading challenge, patrons will browse the Summer Reading Shelves, grab a Reading Log and track each title read. For each title read the patron will enter a ticket into a raffle for a chance to win several prizes throughout the summer. Patrons may also log their books online for a simpler way to track titles.
