

SEPTEMBER '19 - TEEN PROGRAMS

To learn more, please visit www.plnl.org/events

Marshmallow Catapult Challenge

Tuesday, Sept 3rd
3:30PM

Build a catapult to launch marshmallows as far as you can. We'll test your designs at the end of the session, and the farthest launch wins a prize.

Snap Circuits with Spark Makerspace

Tuesday, Sept 10th
3:30PM

Learn about circuits and electricity the fun way... with Snap Circuits! Spark Makerspace will guide us as we follow schematics to build a working machine.

Finger-Knitting Workshop

Tuesday, Sept 17th
3:30PM

This week, join three of our community knitters as they teach us the art of finger knitting. Learn a stitch or two and start working on your own project!

T-Shirt Tote Bags Craft

Tuesday, Sept 24th
3:30PM

Learn a no-sew hack to create an awesome tote bag using only a t-shirt! We'll have shirts for you to use, but feel free to bring in a shirt from home if you want to use your own design.

VOLUNTEERS

NEED TO FINISH COMMUNITY SERVICE FOR SCHOOL?

Last year, high school students volunteered nearly **1000 hours** of their time organizing our collection of books and DVDs, setting up displays, and assisting library staff with important day-to-day tasks that help keep the PLNL running. In total, we helped over 40 teens fulfill their school-mandated community service requirements!

If you need community service work and are interested in helping us continue to make the PLNL a fun, enriching space for our community, please call Tom at (860) 447-1411 ext. 5 or visit ww.plnl.org/volunteers and fill out an application.
