The Wisdom of Peanuts

New London, CT Saturday, April 29, 2017, 2:00-3:30PM– The Public Library of New London invites the public to attend *The Wisdom of Peanuts* a presentation for adults, Saturday, April 29 from 2:00 – 3:30 PM in the Library's Community Room. The program will be presented by John Proctor, charter member of the Charles Schulz Museum and the East Coast Collectors group, who has been collecting the beloved cartoon *Peanuts* memorabilia and learning about the work of Charles Schulz for many years, and will be sharing this information with us.

Introduced 67 years ago as Charlie Brown and Snoopy, the strip is still widely enjoyed today, appearing in over 2500 newspapers in 66 countries. Join us to get some answers to questions like; Who was Charles Schulz and where did he get his inspiration? Why is the strip still so popular? What are some of the themes he uses in the strip and what role do each of the characters play? What is the Wisdom of Peanuts?

Event is free and open to the public ages 12 and up. No registration necessary.
